# 000-357

## IBM

### IBM eServer i5 iSeries Multiple System Administration V5R3

The 000-357 practice exam is written and formatted by Certified Senior IT Professionals working in today's prospering companies and data centers all over the world! The 000-357 Practice Test covers all the exam topics and objectives and will prepare you for success quickly and efficiently. The 000-357 exam is very challenging, but with our 000-357 questions and answers practice exam, you can feel confident in obtaining your success on the 000-357 exam on your FIRST TRY!

**IBM 000-357 Exam Features**

- Detailed questions and answers for 000-357 exam
- Try a demo before buying any IBM exam
- 000-357 questions and answers, updated regularly
- Verified 000-357 answers by Experts and bear almost 100% accuracy
- 000-357 tested and verified before publishing
- 000-357 examcollection vce questions with exhibits
- 000-357 same questions as real exam with multiple choice options

Acquiring IBM certifications are becoming a huge task in the field of I.T. More over these exams like 000-357 exam are now continuously updating and accepting this challenge is itself a task. This 000-357 test is an important part of IBM certifications. We have the resources to prepare you for this. The 000-357 exam is essential and core part of IBM certifications and once you clear the exam you will be able to solve the real life problems yourself.Want to take advantage of the Real 000-357 Test and save time and money while developing your skills to pass your IBM 000-357 Exam? Let us help you climb that ladder of success and pass your 000-357 now!

**QUESTION:** 1

A customer is using a High Availability business partner solution. They will need to journal the target system at switchover time but would like to avoid the overhead of target system journaling while operating it in target mode. Which of the following solutions will reduce the overhead and allow a quick changeover to full journaling at switchover?

A. Change the journal status to *STANDBY.
B. Change the journal status to *NOWRITE.
C. End Journal Object *ALL.
D. Change Journal Receiver status to *INACTIVE.

**Answer:** A

**QUESTION:** 2

An administrator for an i550 with multiple LPARs wants to run different jobs after a production job finishes on the production LPAR. Job A should run if the production job ends normally, and job B should run if the production job ends abnormally. How can this be accomplished?

A. Use the HMC scheduler to set up a reactive schedule for the production LPAR on those batch jobs.
B. Use the Q_JOBEND_ABN exit program when the first job finishes.
C. Have jobs A and B access the first job's job log to see if it finished normally.
D. Install Advanced Job Scheduler (5722-JS1) and set job relationships.

**Answer:** D

**QUESTION:** 3

The databases for an application need various levels of security. Some users need to be able to change the records (group 1), others need only read access (group 2), and the rest of the company should not be able to access the records at all. Which of the following is a valid method of securing the files?

A. Set *PUBLIC authority on all of the libraries to *EXCLUDE. Grant *USE authority to all of the database objects to group 2. Grant *ALL authority to all the users in group 1.
B. Give the group 1 users *ALLOBJ authority. Set the *PUBLIC access to the files to *READ. Set the *PUBLIC access to the library to *EXCLUDE.
C. List the specific users with change and read only access in an authorization list. Assign the authorization list to the objects and set *PUBLIC to *EXCLUDE.
D. Set *PUBLIC access to the files to *CHANGE. Place group 2 in a group profile that has only *READ authority to the files. Set *PUBLIC access to the library to *EXCLUDE.

**Answer:** C

**QUESTION:** 4
After doing some journal analysis, it has been determined that the receiver size needs to be changed. Which of the following is required to start using receivers with the new size?

A. End journaling of all objects, delete the journal, delete the receiver, create the receiver with the new size, create the journal, and start journaling the objects.
B. Create a receiver with the new size and change the journal to use the new receiver.
C. Change the journal to generate a receiver using the new size.
D. Change the receiver to use the new size.

**Answer:** B

**QUESTION:** 5
What is the recommended work management environment for interactive workloads?

A. All devices in a single subsystem
B. A subsystem for every 100 devices
C. A subsystem for every 300 devices
D. A subsystem for every 500 devices

**Answer:** C

**QUESTION:** 6
An iSeries system has two i5/OS partitions. The Virtual LAN is configured to communicate between partitions for data replication. One of the partitions is connected outside the company firewall to host the company web server. What should the system administrator do in order to maximize security over the Virtual LAN between the partitions?

A. Add the QTMHHTTP and QSECOFR user profiles to the TCP/IP Port Restrictions table on each partition.
B. Enable only the *SIGNON and *FILE host servers on the partition inside the firewall.
C. Disable all TCP servers on the web partition that are not required for web serving and data replication.
D. Set up SSL on the Virtual LAN between the two partitions.

**Answer:** C

**QUESTION:** 7
A data center with five eServer i5 systems and two HMC devices wants to have redundancy and remote access for the HMCs. How should the network be configured?

A. Place Port 1 from each of the Flexible Service Processors (FSPs) in a private network.

## Pass4sure Certification Exam Features;

- Pass4sure offers over **2500** Certification exams for professionals.
- More than **98,800** Satisfied Customers Worldwide.
- Average **99.8%** Success Rate.
- Over **120** Global Certification Vendors Covered.
- Services of Professional & Certified Experts available via support.
- Free 90 days updates to match real exam scenarios.
- Instant Download Access! No Setup required.
- Price as low as $19, which is 80% more cost effective than others.
- Verified answers researched by industry experts.
- Study Material **updated** on regular basis.
- Questions / Answers are downloadable in **PDF** format.
- Mobile Device Supported (Android, iPhone, iPod, iPad)
- **No authorization** code required to open exam.
- **Portable** anywhere.
- *Guaranteed Success*.
- **Fast**, helpful support 24x7.
