# 3M0-212

## 3COM

*Certified Enterprise LAN Specialist Final Exam v3.0*

<http://www.ipass4sure.com/exams.asp?examcode=3M0-212>

The 3M0-212 practice exam is written and formatted by Certified Senior IT Professionals working in today's prospering companies and data centers all over the world! The 3M0-212 Practice Test covers all the exam topics and objectives and will prepare you for success quickly and efficiently. The 3M0-212 exam is very challenging, but with our 3M0-212 questions and answers practice exam, you can feel confident in obtaining your success on the 3M0-212 exam on your FIRST TRY!

### 3COM 3M0-212 Exam Features

- Detailed questions and answers for 3M0-212 exam
- Try a demo before buying any 3COM exam
- 3M0-212 questions and answers, updated regularly
- Verified 3M0-212 answers by Experts and bear almost 100% accuracy
- 3M0-212 tested and verified before publishing
- 3M0-212 examcollection vce questions with exhibits
- 3M0-212 same questions as real exam with multiple choice options

Acquiring 3COM certifications are becoming a huge task in the field of I.T. More over these exams like 3M0-212 exam are now continuously updating and accepting this challenge is itself a task. This 3M0-212 test is an important part of 3COM certifications. We have the resources to prepare you for this. The 3M0-212 exam is essential and core part of 3COM certifications and once you clear the exam you will be able to solve the real life problems yourself. Want to take advantage of the Real 3M0-212 Test and save time and money while developing your skills to pass your 3COM 3M0-212 Exam? Let us help you climb that ladder of success and pass your 3M0-212 now!

**QUESTION: 1**

Which two are switching fabric features/functions on the Switch 8800? (Choose two.)

- A. The switch fabric is hot-swappable, load-balancing fabric
- B. The master switch fabric must be in slot #1
- C. Redundant switch fabric remains in standby mode unless the master switch fabric fails
- D. The master switch fabric provides route calculation and management for the entire chassis

**Answer:** A, D

**QUESTION: 2**

For which customer network environment does 3Com recommend the Switch 8800 family?

- A. Internet Service Provider (ISP)
- B. Large enterprise network core
- C. All of the above
- D. Large enterprise distribution layer

**Answer:** B

**QUESTION: 3**

Which two queuing features are supported on the Switch 8800? (Choose two.)

- A. The switch only supports Strict Priority (SP) queuing
- B. Eight output queues per port
- C. The switch supports multiple queuing algorithms (i.e., Strict Priority (SP) queuing, Weighted Random Early Discard)
- D. QoS policies are based on Layer 2 packet information only

**Answer:** B, C

**QUESTION: 4**

Which two are Quality of Service (QoS) features of the Switch 5500 family? (Choose two.)

- A. Eight hardware queues per switch
- B. Eight hardware queues per port

- C. Configurable queue processing
- D. Queue priority is based only on FirstIn First Out (FIFO) algorithm

**Answer:** B, C

**QUESTION: 5**

Which two describe the attributes of the Switch 8800 switch fabrics? (Choose two.)

- A. Upon failover, the slave switch fabric must learn and rebuild all routing tables
- B. Switch must be powered off to replace a switch fabric
- C. The slave switch fabric provides active, load-balancing data switching
- D. Switch fabric load balancing is enabled by the user

**Answer:** C, D

**QUESTION: 6**

DRAG DROP

Click the Task button.

Drag each switch family to the recommended customer environment.

Drag each switch family to the recommended customer environment.

place here	 Switch 5500 G-EI
place here	 Switch 7700/7750
place here	 Switch 8800

Large enterprise network core	Small to medium enterprise network core	Small to medium enterprise network core/distribution center
-------------------------------	-----------------------------------------	-------------------------------------------------------------

**Answer:**

Drag each switch family to the recommended customer environment.

Small to medium enterprise network core/distribution center	
	Switch 5500 G-EI
Small to medium enterprise network core	
	Switch 7700/7750
Large enterprise network core	
	Switch 8800

Large enterprise network core    Small to medium enterprise network core    Small to medium enterprise network core/distribution center

**QUESTION: 7**

Which three application-availability techniques should be used to ensure high network availability? (Choose three.)

- A. Protect resources with network security
- B. Enforce techniques primarily at the network core
- C. Block rogue applications
- D. Identify and prioritize mission-critical applications

**Answer:** A, C, D

**QUESTION: 8**

Which component of XRN technology is defined as: "An advanced routing implementation that allows multiple interconnected switches in an XRN solution to behave as a single active routing entity"?

- A. XRN Interconnect
- B. Distributed Link Aggregation (DLA)
- C. Distributed Device Management (DDM)
- D. Distributed Resilient Routing (DRR)

**Answer:** D

**QUESTION:** 9

Which two are benefits of the Switch 5500 XRN Distributed Device Management (DDM) support? (Choose two.)

- A. Supports up to 12 switches in a single stack
- B. All switches within a stack act as a single logical device
- C. Resilient XRN architecture provides management access if any switch fails in a stack
- D. Creates a 12Gbps full-duplex link between switches

**Answer:** B, C

**QUESTION:** 10

Which Switch 5500 model(s) supports a 96 Gbps full-duplex XRN stacking connection?

- A. Switch 5500G-EI
- B. All of the above
- C. Switch 5500-EI
- D. Switch 5500-SI

**Answer:** A

**QUESTION:** 11

Which two are Switch 8800 routing configuration considerations? (Choose two.)

- A. Supports OSPF
- B. By default, RIP is disabled on the switch
- C. Supports EIGRP
- D. By default, RIP v2 runs when RIP is enabled

**Answer:** A, B

**QUESTION:** 12

DRAG DROP

## Pass4sure Certification Exam Features;

- Pass4sure offers over **2500** Certification exams for professionals.
- More than **98,800** Satisfied Customers Worldwide.
- Average **99.8%** Success Rate.
- Over **120** Global Certification Vendors Covered.
- Services of **Professional & Certified Experts** available via support.
- Free **90 days** updates to match real exam scenarios.
- **Instant Download Access!** No Setup required.
- Price as low as **\$19**, which is 80% more **cost effective** than others.
- **Verified answers** researched by industry experts.
- Study Material **updated** on regular basis.
- Questions / Answers are downloadable in **PDF** format.
- Mobile Device Supported (**Android, iPhone, iPod, iPad**)
- **No authorization** code required to open exam.
- **Portable** anywhere.
- **Guaranteed Success.**
- **Fast**, helpful support **24x7**.
