Answer: B,C,F

QUESTION: 4

DRAG DROP

Match the Remote Web Console (RWC) and the Command View Advanced Edition tools to their corresponding features.

Match the Remote Web Console (RWC) and the Command View Advanced Edition tools to their corresponding features.

Tools	Features
place here	allows centralized management of multiple P9500 systems
place here	ships free with every XP/P9500 system
place here	uses web browser with Adobe Flash
place here	is required with Tiered Storage Manager
place here	does not require a management server

Tools

RWC CVAE

Answer:

Match the Remote Web Console (RWC) and the Command View Advanced Edition tools to their corresponding features.

Tools	Features
CVAE	allows centralized management of multiple P9500 systems
RWC	ships free with every XP/P9500 system
RWC	uses web browser with Adobe Flash
CVAE	is required with Tiered Storage Manager
RWC	does not require a management server

Tools

RWC CVAE

QUESTION: 5

The P9500 Remote Web Console (RWC) allows users to submit multiple changes to be applied to an array without waiting for the first request operation to complete. User A submits a change request and the task starts executing. User A is interrupted by a phone call, but remains on the same screen. User B starts a RWC session and attempts to submit a change request. User A finishes the phone call and then submits a second change request before his first one completes. When is User A's second request executed?

A. immediately after User A's first request is finished

- B. before User B's request, if priority level is set higher
- C. immediately after User B's request is finished
- D. after User B's request, if priority level is set lower

Answer: A

QUESTION: 6
