000-340

IBM

WebSphere Application Server V5.0, Basic Administration

<http://www.ipass4sure.com/exams.asp?examcode=000-340>

The 000-340 practice exam is written and formatted by Certified Senior IT Professionals working in today's prospering companies and data centers all over the world! The 000-340 Practice Test covers all the exam topics and objectives and will prepare you for success quickly and efficiently. The 000-340 exam is very challenging, but with our 000-340 questions and answers practice exam, you can feel confident in obtaining your success on the 000-340 exam on your FIRST TRY!

IBM 000-340 Exam Features

- Detailed questions and answers for 000-340 exam
- Try a demo before buying any IBM exam
- 000-340 questions and answers, updated regularly
- Verified 000-340 answers by Experts and bear almost 100% accuracy
- 000-340 tested and verified before publishing
- 000-340 exam questions with exhibits
- 000-340 same questions as real exam with multiple choice options

Acquiring IBM certifications are becoming a huge task in the field of I.T. More over these exams like 000-340 exam are now continuously updating and accepting this challenge is itself a task. This 000-340 test is an important part of IBM certifications. We have the resources to prepare you for this. The 000-340 exam is essential and core part of IBM certifications and once you clear the exam you will be able to solve the real life problems yourself. Want to take advantage of the Real 000-340 Test and save time and money while developing your skills to pass your IBM 000-340 Exam? Let us help you climb that ladder of success and pass your 000-340 now!

QUESTION 1:

The server initialization messages will appear in the message box on the "First Steps Window". If the server fails to initialize, which of the following file(s) should be checked?

- A. ivt.log and native_stdout.log
- B. installDefaultApplication.log
- C. startServer.log and systemOut.log
- D. log.txt

Answer: C

QUESTION 2:

An application needs to be redeployed because the quality assurance team has just approved a bug fix and delivered a new .ear file. Using the WebSphere Administrative Console, what should be done to redeploy this application?

- A. Applications -> Enterprise Applications -> Update
- B. Applications -> Enterprise Applications -> Uninstall, Install
- C. Applications -> Enterprise Applications -> Stop, Uninstall, Install, Start
- D. Applications -> Enterprise Applications -> Stop, Update, Export, Start
- E. Applications -> Enterprise Applications -> Export, Stop, Update, Export, Start

Answer: A

QUESTION 3:

What is the MOST important security task an Administrator will perform after installing the IBM WebSphere Application Server, V5.0?

- A. Assign method groups for EJB methods
- B. Set realm and challenge type
- C. Enable security to protect the WebSphere administrative cell
- D. Enable Java 2 Security

Answer: C

QUESTION 4:

How does the 'Starting Weight' affect Enterprise Applications installed in IBM WebSphere Application Server, V5.0?

- A. Higher weights get more processing power compared to other applications with lower

weights

- B. Lower weights get more processing power before applications with higher weights
- C. Specifies the starting order of applications when the server is started or restarted with lower weighted applications starting first
- D. Specifies the starting order of applications when the server is started or restarted with higher weighted applications starting first

Answer: C

QUESTION 5:

An IBM WebSphere Application Server, V5.0 is running on a 4-CPU machine, with 512M of RAM, and 4 Gig of page space. Initial heap size is set to 64M and the maximum is set to 256M. Tivoli Performance Viewer shows a staircase-like graph of the memory used. What is the likely cause of the problem?

- A. The JVM maximum heap size is not large enough
- B. There is a memory leak in the application
- C. More paging space is needed
- D. Incorrect Java SDK is being used

Answer: B

QUESTION 6:

Whenever an Entity Bean tries to access a database located on a remote machine, the administrator receives an error message. What is the MOST likely cause for this error message?

- A. Network connectivity has been lost
- B. The Administrative Server has quit running
- C. The Web server is not configured to run beans
- D. The Servlet Redirector is not performing workload management correctly

Answer: A

QUESTION 7:

Given a nonNetwork Deployment installation, which of the following statements characterizes the WebSphere Administrative Console?

- A. It can be downloaded from a remote machine.
- B. It runs in its own Java Virtual Machine.
- C. In the base configuration, it runs on the application server and can manage only that application server.
- D. It connects directly to the Administrative Repository.

Answer: C

QUESTION 8:

Which of the following services are provided by the application server in IBM WebSphere Application Server, V5.0?

- A. JNDI Naming Service
- B. Transaction Management Service
- C. Security Service
- D. Integral JMS Service
- E. Client Container Service

Answer: ABC

QUESTION 9:

A systems expert has been asked to design an IBM WebSphere Application Server, V5.0 architecture that will meet very high levels of security. Given that the expert will use encryption, which of the following direct connection paths need to be encrypted with SSL?

- A. Web server plug-in to Web server
- B. Web server plug-in to Web container
- C. Web browser to Web server
- D. Web server to administrative subsystem
- E. Reverse Proxy Server to Web server plug-in

Answer: BC

QUESTION 10:

A systems expert has been asked to install and configure the IBM WebSphere Application Server, V5.0 with a high level of security. Given this, which of the following should NOT reside in the DMZ zone of a firewall configuration?

- A. XML Configuration Repository
- B. Web server
- C. Application Server
- D. The Network Dispatcher
- E. Caching proxy server

Answer: AC

Pass4sure Certification Exam Features;

- Pass4sure offers over **2500** Certification exams for professionals.
- More than **98,800** Satisfied Customers Worldwide.
- Average **99.8%** Success Rate.
- Over **120** Global Certification Vendors Covered.
- Services of **Professional & Certified Experts** available via support.
- Free **90 days** updates to match real exam scenarios.
- **Instant Download Access!** No Setup required.
- Price as low as **\$19**, which is 80% more **cost effective** than others.
- **Verified answers** researched by industry experts.
- Study Material **updated** on regular basis.
- Questions / Answers are downloadable in **PDF** format.
- Mobile Device Supported (**Android, iPhone, iPod, iPad**)
- **No authorization** code required to open exam.
- **Portable** anywhere.
- **Guaranteed Success.**
- **Fast**, helpful support **24x7**.
