**QUESTION: 1**

Which of the following refers to an announcement of a federal agency's general research interests?

- A. BAA
- B. BCC
- C. BEA
- D. BRC
- E. None of the choices.

**Answer: A**

Broad Agency Announcement (BAA) refers to an announcement of a federal agency's general research interests. A BAA would serve the purpose of inviting proposals and specifying the general terms and conditions under which the relevant award can be made.

**QUESTION: 2**

Which of the following would serve the purpose of inviting proposals and specifying the general terms and conditions under which the relevant award can be made?

- A. RFP
- B. RFQ
- C. RFQ
- D. BAA
- E. BEC
- F. None of the choices.

**Answer: A**

You need to know the difference between RFP and BAA. A request for proposal (referred to as RFP) is an invitation for suppliers to submit a proposal on a specific commodity or service. A broad agency announcement (BAA) is a notice from the government that requests scientific or research proposals from private firms concerning certain areas of interest to the government. The key is on the word "scientific" - BAA deals primarily with scientific study and experimentation directed toward advancing the state-of-the-art or increasing knowledge or understanding. See 48 CFR 36.106(a)
